

***Blended Intensive Programme Summer School – February/March 2025
at the Babeş-Bolyai-University in Cluj-Napoca, Romania***

**CONFLICT RESOLUTION FROM THEORY TO PRACTICE
An International and Multidisciplinary Approach**

Blended Intensive Programme

A "Blended Intensive Program" (BIP) offers the opportunity for a short stay abroad funded by Erasmus+. A special feature is the combination of a virtual and a mobility phase.

The Babeş-Bolyai University in Cluj-Napoca, Romania is organizing a summer school on "*Conflict Resolution from Theory to Practice*" in the framework of a BIP with a **virtual phase from 27-28 February 2025** and a **mobility phase from 3-7 March 2025**. Participation in both phases is mandatory. The teaching language is English. An online session lasting approx. 5-6 hours will take place on each of the virtual seminar days. The on-site seminar days combine teaching units and a cultural program. The group of participants consists of students from the host university as well as from other European universities participating in the program. Further information on the lecturers and the content of the course can be found on the BIP information [flyer of the Babeş-Bolyai University](#).

Who can apply?

Eight places can be awarded and financially supported to Bachelor's (from the 3rd semester) and Master's students at the Institute of Social Sciences. International students who are regularly enrolled in a degree program can also participate. Students with "fewer opportunities" receive additional funding (see "Application" and "Financial support").

In the case of equal qualifications, students with fewer opportunities are given preference.

Please note: Acceptance of the place in the BIP is binding.

Application
